## DEVELOPMENT UPS & DOWNS' BOARD GAME

### Glossary of Terms

<b>SQUARE 3</b>	<b>mosquito net</b>	...a net that covers a bed, stopping mosquitoes from biting people while they sleep. They are often treated with insect repellent.
<b>SQUARE 6</b>	<b>life expectancy</b>	...the average number of years that a person is expected to live. For example, in Canada it is close to 80 years for women and 78 years for men.
<b>SQUARE 23</b>	<b>bio-gas cooker</b>	...a simple kind of gas stove that burns on gas made from manure of animals, such as cows or water buffaloes.
<b>SQUARE 30</b>	<b>dike</b>	...a long wall built to prevent rivers, lakes and oceans from flooding land ...or a kind of ditch built as a waterway to direct water away, again to prevent flooding
<b>SQUARE 31</b>	<b>landmine</b>	...an explosive device laid under or on the ground, which is exploded by weight (person, animal, vehicle) or by touching a trip wire.
